Workshops

Tuesday Jan 29 6:30-8:30 Round Room Buy Now	DIY Terrarium—Lynn Lorio <i>Age 16 & Up</i> Learn the basics of how to create your own succulent terrarium! This class will cover helpful tips on plant selection as well as building, displaying and maintaining your terrarium. All materials for one basic terrarium will be included. You'll leave with your creation, care instructions and all the knowledge you'll need to make your own succulent terrariums at home!	\$50 Buy Now
Friday Feb 1 6:00-9:00 Entry Room Buy Now	Friday Night Out—Cheryl Pannabecker <i>All ages</i> "Landscape Impressions" create a textural and colorful landscape picture completely out of clay. Everyone will be given a slab of clay, a tray to form a ceramic picture in and an array of textural objects to create a landscape scene with. We will work with an applique method for adding forms and paint our piece with "stroke and coat" glazes.	\$35 for individual or \$60 for a pair
Saturday Feb 2 11:00-2:00pm Entry Room Buy Now	Valentine Cards!—Lynn Arnsperger <i>All ages</i> Students will design cute cartoon characters and create their own set of 12 Valentine Cards to pass out to their friends. Students will add color and glitter to their cards. Such as: Puppies, kittens, bears, lions, elephants, dolphins, and turtles.	\$50
Saturday Feb 2 3:00-5:00pm Round Room Buy Now	Adult & Youth –Truffles for those you love!—Diane Hasse <i>Age 8 & up with adult</i> Adults and youth chefs– Would you like to give the perfect gift this holiday season, or have the most delectable treats at your table? All it takes is learning how to make delectable truffles! Learn the tricks that make truffle making easy and fun! Melt, mix, dip and decorate truffles from 5-6 doughs. You'll leave with a box of 12 truffles to take home and share, or not!	\$75/pair
Thursday Feb 7 6:00-8:00pm Round Room Buy Now	Calligraphy—Alyssa Parr <i>Age 16 & Up</i> Learn the abc's of brush lettering! Students can use these basic techniques and design tips to DIY stationery, place cards, greeting cards, prints, and more! This class will also focus on how watercolor techniques can be incorporated into the design process to create truly unique pieces. Each student will leave the workshop having made a DIY hand-lettered quote that they can hang as wall décor and their own handlettered greeting card! This class is beginner friendly.	\$50
Thursday Feb 21 6:15-9:15pm Sewing Room Buy Now	Intro to Hand Quilting– Dana Kuhnlne Learn this beautiful way to finish your quilts or add extra detail to machine quilted work. Traditional quilting methods as well as "big stitch" or "primitive" quilting with perle cotton will be discussed and practiced. We will cover basic stitches, basting methods, how to tie and bury your threads, using a stencil and marking methods, and some embroidery stitches that can be used in quilting. Note: This is a skill class, not a project class. We will practice hand quilting, and discuss how to use the skill in different settings, but not complete a finished product in class.	\$40
Thursday Feb 28 6:15-9:15pm Sewing Room Buy Now	Beginner Sewing: Sew a Zippered Pouch– Dana Kuhnlne Sew a handy zippered pouch - you can choose between a few sizes. You will finish this class with the perfect place to put your sewing supplies (or anything else you can fit in there!). You may be intimidated by zippers, but you can do it! This class is geared towards beginners, and will include basic information on sewing machines, sewing machine feet including a zipper foot, how to cut fabric using a rotary cutter, interfacing, as well as basic 3D construction that is the foundation for bag-making and many other sewing projects. A great class for those looking to improve their sewing skills and those just getting started.	\$40
