Introduction to Brush Lettering -Alyssa Parr

Buy Now **\$50**

Learn the ABC's of brush lettering with brush pens! Students can use these basic techniques and design tips to DIY stationery, place cards, greeting cards, prints, and more! This class will also focus on how watercolor techniques can be incorporated into the design process to create truly unique pieces. Each student will leave the workshop having made a DIY hand-lettered quote that they can hang as wall décor and their own hand lettered greeting card! This class is beginner friendly.

Piecing Hexagons by Hand—Dana Kuhnline

Buy Now **\$50**

American Hand Piecing with a running stitch is a method of hand sewing quilts that involves sewing directly on a drawn or stamped line, and has been a popular method of hand-piecing for centuries. It is an alternative method to English Paper Piecing for hand piecing quilts which allows you to do all the same designs without expensive and time-consuming papers.

Hand Embroidery-Dana Kuhnline

Buy Now **\$50**

Embroidering by hand is both a timeless art and a compact hobby perfect for stitching on your lunch hour, while binge watching your favorite program, or sitting outside enjoying nature. This beginner class will guide you through making a charming sampler to learn 8 basic stitches that you can use to create almost any embroidery pattern.

Skills will include: methods to transfer patterns, supplies, stitches including: Running Stitch, Back Stitch and Chain Stitch, Threaded Running Stitch, Cross Stitch, Star Stitch, Fern Stitch and a French Knot and discuss the option for adding custom text to a project.

Note: You will likely not be able to finish the project in class, but you will receive instructions to complete it on your own.
